

Grade 6
Exploring Plate Tectonics

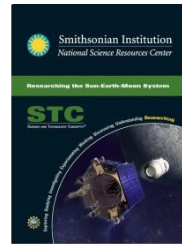

Grade 6
Understanding Weather and Climate

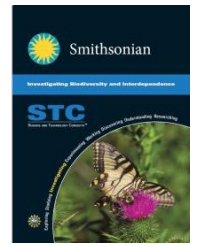

Grade 6
Exploring Planetary Systems

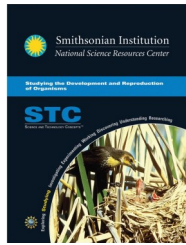

Grade 6
Researching the Sun-Earth-Moon System

Grade 7
Investigating Biodiversity & Interdependence

Grade 7
Studying the Development and Reproduction of Organisms

Grade 7
Modeling Mendel's Law

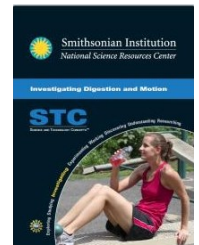

Grade 7
Chromosomal Meiosis

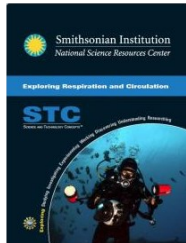

Grade 7
Genetics & Biotechnology

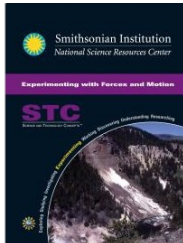

Grade 7
Investigating Digestion and Motion

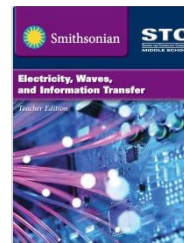

Grade 7
Exploring Respiration and Circulation

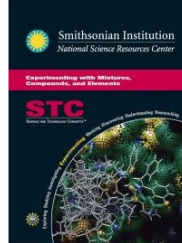

Grade 8
Experimenting with Forces & Motion

Grade 8
Electricity, Waves, and Information Transfer

Grade 8
Experimenting with Mixtures, Compounds, and Elements

Grade 8
Exploring the Properties of Matter
